

## Element 6 220046 – built late 2021 \$8500

This vessel has consistently proven itself as a top performer, dominating regattas and thrilling onlookers with its speed and agility. Now, due to a shift in my training situation, I find myself reluctantly parting ways with this extraordinary boat.

As my training situation evolves, I no longer require a boat in Melbourne. This provides a unique opportunity for you to acquire a racing sailboat that has been finely tuned and tested, ready to conquer new challenges and bring home victory in your hands.

Serious racers and sailing enthusiasts, seize the chance to own an ILCA with a proven racing pedigree. Contact Sam King 0499707991
